Dream a Little Dream

Written by: Fabian Andre, Wilbur Schwandt, Gus Kahn - 1931

Recorded by: The Mamas and the Papas - 1968

(F) Stars (E7) shining bright a(C#7)bove (C7) you,
(F) Night breezes seem to (D7) whisper "I love you",
(Bb) Birds singing in the (Bbm6) sycamore tree,
(F) Dream a little (C#7) dream of (C7) me.

(F) Say (E7) nighty-night and (C#7) kiss (C7) me,
(F) Just hold me tight and (D7) tell me you'll miss me,
(Bb) While I'm alone, (Bbm6) blue as can be,
(F) Dream a little (C#7) dream of (F) me. (A7)

(D) Stars (Bm7) fading but (Em7) I linger (A7) on, dear -
(D) Still (Bm7) craving your (Em7) kiss, (A7)
(D) I'm (Bm7) longing to (Em7) linger till (A7) dawn, dear,
(D) Just saying (C#7) this... (C7)

(F) Sweet (E7) dreams till sunbeams (C#7) find (C7) you,
(F) Sweet dreams that leave all (D7) worries behind you,
(Bb) But in your dreams, what(Bbm6)ever they be,
(F) Dream a little (C#7) dream (C7) of (F) me.

(D) Stars (Bm7) fading but (Em7) I linger (A7) on, dear -
(D) Still (Bm7) craving your (Em7) kiss, (A7)
(D) I'm (Bm7) longing to (Em7) linger till (A7) dawn, dear,
(D) Just saying (C#7) this... (C7)

(F) Sweet (E7) dreams till sunbeams (C#7) find (C7) you,
(F) Sweet dreams that leave all (D7) worries behind you,
(Bb) But in your dreams, what(Bbm6)ever they be,
(F) Dream a little (C#7) dream (C7) of (F) me.
